

18" Wide Standard Lockers Triple Tier & Four Tier

18" WIDE STANDARD LOCKERS TRIPLE TIER AND FOUR TIER

Constructed of 16 gauge steel, Salsbury 18-53000 and 18-54000 series 18" wide standard lockers offer ample space for personal storage needs. 18" wide triple tier and four tier standard lockers are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. One wide lockers are 18" wide and three (3) wide lockers are 54" wide. These spacious lockers are six (6) feet high (add 6" for legs) and are available in 18" and 21" depths. 18" wide triple tier standard lockers include three (3) wall hooks. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request – see all metal locker options and locks on pages 34-35.

SLOPING HOOD

FINISHED END PANEL

Note: Optional sloping hoods, finished end panels, end bases and front bases are sold separately.

Triple tier standard lockers feature a lift up handle and recessed hasp for added security and can accommodate a built-in lock (#77710 for combination, #77715 for key and #77795 for a factory installed resettable combination lock) and padlock (#77720 for combination and #77725 for key).

Four tier standard lockers feature a strong steel hasp assembly and can accommodate a built-in lock (#77710 for combination and #77715 for key), a padlock (#77720 for combination and #77725 for key), a factory installed electronic lock (#77790) and a factory installed resettable combination lock (#77795). Electronic and resettable combination locks allow for single-use or multi-use applications.

Note: It is recommended that all lockers be wall and/or floor anchored.

LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line top fillers overlap the existing locker tops and are easily attached with hardware (included) providing a finished look to the locker installation. Vertical front fillers include a wall angle slip joint that conceals uneven edges and provides a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

Locker installation with flat tops

Locker installation with sloping hoods

TOP FILLERS - CORNER

MODEL	DESCRIPTION	WEIGHT
77832 ¹	Flat top filler - corner - for 12" deep lockers	2 lbs.
77835 ¹	Flat top filler - corner - for 15" deep lockers	2 lbs.
